Congratulations on  
your marriage, His

S-Girl Lookout!

Please, drop the

This story is  
fine, right?

Let's put it in  
the 'Date Course'  
article later.

Since this story's target audience is the ladies, let's make sure we recommend the latest fad to them.

Bi-weekly Hotties  
Editor Caga

! ONE MANGA!

Editor, what  
should we do about the  
following article?

The Black  
Choke group has been  
really popular in the  
kingdom lately.

You can say  
it as you see fit, but  
make sure you get it  
rightly, got it?

Also, instead of  
presenting Prince William  
as a political figure, write  
him up as a super popular  
dude to go with.

...Till.

If you were an idiot like Kallora, you would've written it however you wanted.

...But we still can't oppose the royalty

today

Bye, the wife.

Would you mind  
coming over for an  
interview...?

GONE

Where did they go?

Lord Kaitoko  
Lady Shyuna

STEP-

Where are  
you going?

Katrina, we're  
going off too far.

Let's head back.

STOPS

I had a "thought".

"I want to keep  
walking with Ragna."

Now, and forever

It is the one thing  
I cannot give up on,  
no matter what.
